I live in love, e'en so I love to live.

I live in love, e'en so I love to live.

(Oh hap-py state, twice hap-py when we find it.)

live. this badge, this mark to ev-'ry one that minds it: love lend-eth life. —

I live in love e'en so I love to live. love lend-eth life. —

But love to life this cog-ni-zance doth give, love lend-eth life. —

I live in love, e'en so I love to live. love lend-eth life. —
